

About Forgepoint Capital

ForgePoint Capital is the premier cybersecurity venture fund investing in transformative companies protecting the digital world. The firm is one of the most prolific investors in early and growth stage cybersecurity companies with over 40 global cybersecurity investments. The team brings more than eight decades of company building, value creation experience and draws upon the largest network of trusted cybersecurity industry experts and customers to support entrepreneurs who are building great companies. Based in the San Francisco Bay Area, the firm partners with exceptional cybersecurity entrepreneurs worldwide.
